

:: CPS or OTC deficiency

Diseases:

- ▶ Carbamoylphosphatase synthetase deficiency (CPS deficiency)
- ▶ Ornithine transcarbamylase deficiency (OTC deficiency)

The British Inherited Metabolic Disease Group (BIMDG) has published on its website guidelines for the emergency management of patients with inherited metabolic disorders.

Here are the ones for the management of **Hyperammonaemia due to CPS or OTC deficiency in children and adults.**

- ▶ See [children BIMDG guidelines](#) (last reviewed in Feb 2012)
- ▶ See [adults BIMDG guidelines](#) (last reviewed in 2012)

Further Information: see the Orphanet Abstracts for [CPS deficiency](#) and [OTC deficiency](#).
