

## **PATIENT SUPPORT ORGANISATION DETAILS**

### **Name of Patient Support Organisation:**

**A-T Society: Ataxia-Telangiectasia Society**

### **Details**

#### **Supporting the Family - Fighting the Disease**

The objective of the Society is to alleviate the distress and suffering that A-T causes.

We do this by:

- funding research
- supporting children and adults with A-T and their families
- holding 2 A-T specialist clinics in Nottingham and Cambridge
- providing information, raising awareness, including a regular newsletter

We support families through:

- our counsellor Helen Hart and family support worker Kay Atkins (01582 760733)
- holding an annual Family Day
- holding an annual weekend away for adults with A-T
- giving support grants to help purchase specialist equipment
